The Board of Directors

OMEGA INTERACTIVE TECHNOLOGIES LIMITED.

We have reviewed the accompanying statement of unaudited financial results of Omega Interactive technologies Limited for the Third quarter ended 31<sup>st</sup> December 2016. This statement is the responsibility of the Company's management.

A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above, nothing has come to our notice that cause us to believe that the accompanying statement of audited financial results for the Third quarter ended 31<sup>st</sup> December 2016 has not disclosed the information registered to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed or that it contain any material misstatement.
