Axis Bank loses 15K staff in 9 months, hires 28K more

New Delhi Hit hard by the exodus of about 15,000 employees in the last nine months, leading private lender Axis Bank has gone on a hiring drive by adding some 28,000 employees on a gross basis to support its expansion drive into the Tier-II and III towns. According to industry insiders, automation as well as requirement of newer skill sets has accelerated the sector's attrition rate. However, such exodus should not come as a shock since the sector's attrition rates typically range between 20 per cent and 22 per cent.On a net basis, the bank, which at one point of time employed around 75,000 people, did hire about 12,800 employees from April till December, 2019.

On its part, the lender said that its attrition rates have marginally inched-up from April till December 2019 to 19 per cent from 17 per cent during the corresponding period of the last fiscal."The bank is expanding fast and last year has been a year of large number of new hirings; substantially higher numbers compared to last year both in gross as well as on net basis," Rajesh Dahiya, Executive Director, Axis Bank, was quoted as saying in a statement."We have robust plans to add another 25,000 to 30,000 employees in Axis Bank and the subsidiaries in next 2 years or so," he added. Furthermore, the bank sid that it plans to open 550 branches this financial year against 400 last year."We shall add another 4,000 more employees in the last quarter of FY20. Much of this is being hired in semi-urban and Tier II or III towns and rural India," Dahiya s

SC stays NCLAT order reinstating Cyrus Mistry as executive chairman of Tata Sons

NEW DELHI: The Supreme Court on Friday stayed the NCLAT decision to restore Cyrus Mistry as executive chairman of the Tata Group. The top court noted that it looked at the judicial attitude with which the NCLAT made the December 18 order and "find that it is sorely lacking". The court asked Mistry and Shapoorji Pallonji group including Sterling Investment and Cyrus Investment to file a reply to the Tata group's appeal in four weeks. Tata Sons Private Ltd (TSPL) had challenged the December 18 decision of the National Company Law Appellate Tribunal (NCLAT) that gave a big relief to Cyrus Investment Pvt Ltd and Mistry, restoring him as the executive chairman of TSPL.The NCLAT also ruled that the appointment of N Chandrasekaran as head of the holding company of the \$110-billion salt-to-software conglomerate was illegal.Tatas stated that the verdict by the NCLAT had "undermined corporate democracy" and "rights" of its board of directors. Mistry came out with a statement on Suday saying that he is not interested in returning to the Tata Group and the decision was made in the interest of the Group, whose interests are far more important than the interests of any individual.

Govt must focus on economy: Roubini

MUMBAI: American economist Nouriel Roubini has indicated that the government should focus on economic issues, warning that there could be a loss of popularity if the economy goes down.

Speaking at an event organised by the CFA institute, the professor of economics at New York University's Stern School of Business said that the government here has chosen to focus on ideological considerations rather than economic slowdown.

Besides highlighting slowdown risks, Roubini said "problems on the street" also make foreign investors worried. He also noted that the population dividend is not an asset for India if the youth is going to be deprived of education, healthcare and, most importantly, employment. He added that the country needs to create one million jobs a month.

Earlier, in an interview to ET Now, Roubini

that one of the problems that India has faced and which also explains part of its recent economic slowdown is that the country has not been as open on the trade and investment front. Opening up the economy to a wide range of interaction with the global economy will be part of a strategy that would lead to an increasing potential growth of India," he said. "It is true that a country like India might be sheltered compared to a larger open economy like China or some of the smaller open economies in Asia and other parts of the world when there is a major global shock, but India needs opening up because that is going to be beneficial for potential growth," he added. The possibility of continuing tension between the US and Iran, which is leading to military skirmishes, poses an additional challenge for emerging markets like India as the price of the importe oil will go up, Roubini said. He said that there would not be a global recession this year.

Most extensive': Rahul Gandhi takes 'Suit Boot Budget' jibe at PM Modi

NEW DELHI: Former Congress president Rahul Gandhi on Friday termed Prime Minister Narendra Modi's Budget consultations as "reserved for crony capitalist friends" and "the super rich".

Taking it to Twitter, the Congress leader wrote: "Modi's "most extensive" budget consultation ever, is reserved for crony capitalist friends & the super rich. He has no interest in the views or voices of our farmers, students, youth, women, Govt & PSU employees, small businessmen or middle class tax payers. #SuitBootBudget"

Couple of days back, PM Modi held a meeting with top business leaders of the country and exhorted them to give candid feedback on what has contributed to the slowdown, along with their views on what needs to be done to reverse the trend. While pre-Budget consultations between the finance minister and industry captains have been par for the course, Modi's invitation to them was the first of its kind, at least in recent years. Apart from the Prime Minister, there was only one official present in the room, a format which many attendees saw as designed to encourage a free exchange of views.On Thursday, PM Modi met economists, private equity and venture capitalists, business leaders and agri experts at Niti Aayog, and called for focussed efforts from all stakeholders to achieve the target of nearly doubling the size of the Indian economy to \$5 trillion by 2024.In can be noted that finance minister Nirmala Sitharaman was not a part of both the meetings. The Congress also took a swipe at Sitharaman over her absence at these pre-budget meetings.
