# Independent Auditor's Report on Audited Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

#### TO THE BOARD OF DIRECTORS OF OMEGA INTERACTIVE TECHNOLOGIES LIMITED

#### Report on the audit of the Financial Results

#### Opinion

We have audited the accompanying quarterly financial results of **OMEGA INTERACTIVE TECHNOLOGIES LIMITED** (the "Company") for the quarter ended March 31, 2022 and for the year ended March 31, 2022, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards ("Ind AS") and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended March 31, 2022 as well as for the year ended March 31, 2022.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the

Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Management's Responsibilities for the Financial Results

The year ended financial results have been prepared on the basis of the audited annual financial statements and has been approved by the Board of Directors for the issuance.

The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirement specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Financial Results of the Company to express an opinion on the Financial Results.

Materiality is the magnitude of misstatements in the Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Other Matter**

The Financial results includes the results for the quarter ended March 31, 2022 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2022 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subject to a limited review by us, as required under the Listing Regulations.

# **TUESDAY, 31 MAY 2022 Fobacco consumption is killing**

#### P.V.Anandpadmanabhan

Healis Sekhsaria Institute for Public Health in collaboration with the University of Waterloo, Canada had unveiled their latest report and the tobacco control policy survey conducted in Maharashtra, Bihar, West Bengal and Madhya Pradesh on alarming facts about Tobacco use and the implementation of Tobacco control policies in India.

Healis Sekhsaria Institute of Public Health has committed itself to advancing public health through innovative science and evidence-based policy. It conducts quality research in the public health domain and carries forward its outcome for the benefit of society. Most tobacco users in India have no plans to quit tobacco use. This suggests that there is a need for more effective and stronger tobacco control policies and anti-tobacco campaigns. Additionally, resources such as the guitline number should be made more widely available and accessible to tobacco users.

Cigarettes, bidis, and smokeless tobacco products continue to be highly affordable for tobacco users in India. In order to curb the use of tobacco among current users and to prevent new initiation among non-users, India needs to implement taxation policies that will reduce the affordability of all tobacco products

Dr. Mangesh Pednekar, Director, Healis Sekhsaria Institute for Public Health said that "In India, smokeless tobacco use and bidi smoking continues

to be the dominant forms of tobacco use over cigarette smoking. Tobacco use in any form causes not only loss of lives but also huge economic and social costs. Even though the harmful effects of tobacco use are well known, tobacco product promotion and limited availability of cessation support remain a big concern. It is, therefore, necessary that the country should come up with effective enforcement of tobacco control
